Functions of the NSS Unit and UBA Functions:

NSS Unit Functions:

The functions outlined for the NSS unit align closely with the goals of community engagement, problem-solving, and personal development. They emphasize:

- **Understanding the community:** Gaining insights into local demographics, culture, and needs.
- **Self-reflection:** Understanding one's role and impact within the community.
- **Needs assessment:** Identifying pressing community issues.
- **Social responsibility:** Promoting a sense of duty towards the community.
- **Practical problem-solving:** Applying knowledge and skills to address challenges.
- **Skill development:** Fostering teamwork, leadership, and community engagement skills.

Unnat Bharat Abhiyan Functions:

Unnat Bharat Abhiyan (UBA) focuses on:

- **Rural development:** Improving infrastructure, education, healthcare, and livelihoods in rural areas.
- **Student engagement:** Involving students from higher education institutions in rural development activities.
- **Community-centric approach:** Adopting a community-driven approach to development.
