Organization and Governance

The college has a well-marked administrative set up conforming to the norms of the AICTE and the UGC.

Administrative Setup

CRITERION: GOVERNANCE & LEADERSHIP

- The Principal wields the powers with regard to financial and to all the academic and administrative matters including the conduct of examinations. Each of the departments has a head of the department who, in turn, assigns various tasks to different members of faculty.
- As far as running the autonomous stream is concerned, the statutory and Non-statutory Committees look after the academic and administrative procedures.
- The statutory committees are constituted as per the guidelines of the UGC
- There are different Non-statutory committees which have their well-defined Charters
- For undertaking examination-oriented tasks, Principal is the Chief Superintendent of Examinations There is a Controller of examinations who is assisted by 3 Deputy Controllers of Examinations.
- As far as the administrative functions are concerned, the Administrative Officer looks after the activities executed by clerical, programming, data entry and ministerial staff. The departments have their own respective department offices which function under the guidance of respective heads of departments.
- All the monetary transactions (both the receipts and payments) are processed through a nationalized bank.
- The faculty and students are involved in several activities in addition to academic assignments. The sense of involvement makes them to develop a sense of belonging for the institution. Every Funded project has a coordinator who is totally responsible along with his or her team for the project. Director/Principal wields the financial power.
- On the whole, the members of faculty and non-teaching staff of the college believe in the dignity of labor, and all the functions of the college are meticulously planned, properly coordinated and perfectly executed.

The following four statutory committees are functioning in the college to look after the administrative and academic procedures as per the norms stipulated by the University Grants Commission. The number of members, functions & responsibilities, frequency of meeting and attendance are shown in the following table.

Student shall take up atleast ONE NPTEL/SWAYAM of 12-week duration for 3 credits.

4. Consider item No. 5
Resolved to ratify the Proposed Syllabi for Honor Degree as they are in toto JNTUK R23 regulations.

5. Consider item No. 6
Resolved to ratify the Proposed Syllabi for Minor Degree as they are in toto JNTUK R23 regulations.

6. Consider item No. 7
External BOS Members have suggested to get the recent academic regulations on NPTEL/SWAYAM courses from the affiliating University JNTUK. It is resolved to follow the same academic regulations on NPTEL / SWAYAM, Professional Elective, Open Elective, Honors and Minor Degree Programs in toto with JNTUK.

7. Consider item No. 8
(a) Resolved to ratify the Proposed Honor Degree Courses Categorized into two specializations as follows.
i. Honors in VLSI and Instrumentation
ii. Honors in Communication and Signal Processing

Honor Degree in VLSI and Instrumentation

S.No.	Category	Subject Code	Subject Name	L	T	P	Credits
