BVC ENGINEERING COLLEGE

(AN AUTONOMOUS INSTITUTION)

Department of Mechanical Engineering

Vision & Mission of the Institute

INSTITUTION VISION

To become a leading technical institute of academic excellence by imparting high patterns of discipline through innovative programs of global standards making our students technologically superior and ethically strong to serve the Nation.

INSTITUTION MISSION

To create an environment that shall foster the growth of intellectually capable, Innovative professionals who can contribute to the growth of Technology in partnership with industry and develop and harness it for the welfare of the Nation and mankind

CHAIRMAN'S MESSAGE

DR. BONAM KRISHNA SATISH

It gives me immense pleasure to present this edition of the college magazine at BVC Engineering College, we are committed to fostering academic excellence, innovation, and ethical values among our students. This magazine reflects the vibrant activities, achievements, and collective efforts of our students and faculty.
I congratulate the editorial team for their dedication in bringing out this publication and appreciate all contributors for showcasing their talents. Let this serve as a platform to inspire creativity, share knowledge, and celebrate success. I wish all our students a bright and successful future.

SECRETARY'S MESSAGE

SRI BONAM KANAKAYYA

I am delighted to share a few words on this occasion of releasing our college magazine. It is encouraging to see the enthusiasm and creativity of our students and faculty reflected in this publication. Such initiatives not only highlight achievements but also promote knowledge sharing and innovation. I appreciate the efforts of the editorial team and all contributors for their valuable work. Wishing everyone continued success in all their endeavors.

PRINCIPAL'S MESSAGE

DR. CHANDRA MOULI. V.S.M

I am pleased to present this edition of our college magazine, which reflects the dynamic academic environment and achievements of BVC Engineering College. It is inspiring to witness the enthusiasm, creativity, and commitment of our students and faculty in various academic and co-curricular activities. This magazine serves as a valuable platform for sharing knowledge, ideas, and accomplishments. I appreciate the sincere efforts of the editorial team and contributors in bringing out this publication successfully. I encourage all students to continue striving for excellence and uphold the values of discipline, innovation, and integrity. Wishing you all a bright and successful future.

Department of Mechanical Engineering

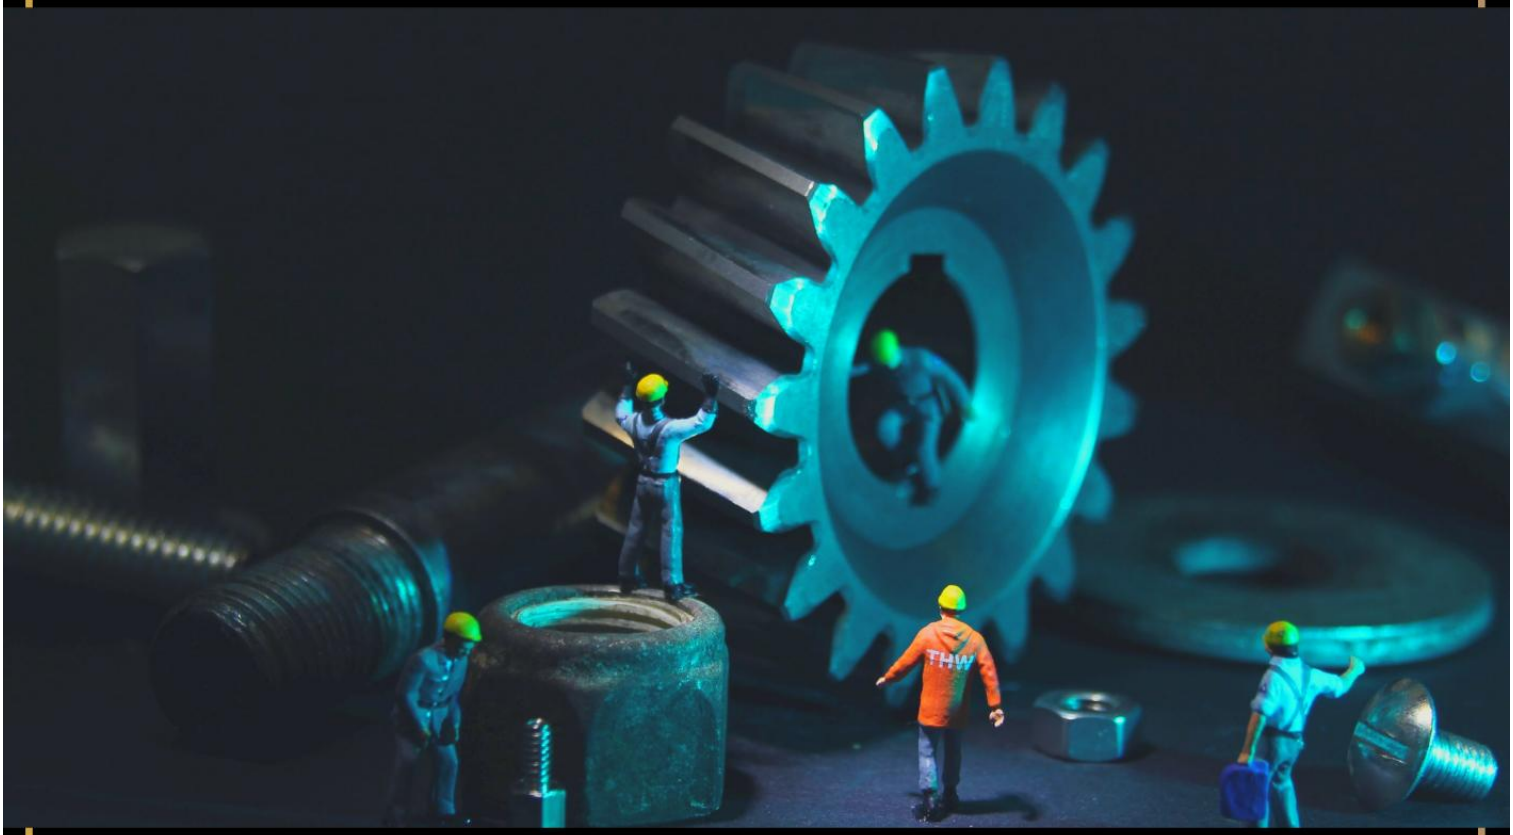

Vision & Mission of the department

VISION

To provide valuable resources for industry and society through excellence in teaching, learning and research in the field of Mechanical Engineering

MISSION

Impart quality education and training to produce successful entrepreneurs and globally competent engineers for meeting the current and future needs of Mechanical and allied Engineering Industries. Engage in research and development in cutting edge and sustainable technologies. Enhance industrial collaboration and professional ethics to serve the society

HOD's Message

Prof. B. Srinivas

It gives me great pleasure to share a few words through this magazine. The Department of Mechanical Engineering at BVC Engineering College continues to strive for excellence in academics, research, and innovation. This magazine is a reflection of the hard work, creativity, and technical skills of our students and faculty. It showcases various achievements, activities, and advancements within the department. I appreciate the efforts of the editorial team and contributors for bringing out this wonderful publication. I encourage all students to actively participate in such initiatives and continue to enhance their knowledge and skills. Wishing everyone success in their future endeavors.
